EASY SAILING

EVERYTHING UNDER CONTROL

You will be surprised. You can sail this yacht single handed, whenever you like. Setting, hauling in, shortening and trimming the 47 m² sails can be carried out comfortably and directly from the helmsman position. From there you will have a complete overview at all times. At HANSE, we call that „Easy Sailing“. Once you have experienced it you will never want to sail another way again.

TODO BAJO CONTROL

Se sorprenderá. Este yate se puede, si se quiere, navegar en solitario. Izar, rizar, arriar y trimar el velamen de 47 m², todas ellas maniobras que se pueden realizar directa y cómodamente desde la rueda del timón. Desde aquí tendrá siempre todo bajo su control. Es lo que en HANSE llamamos «Easy Sailing». ¡Algo de lo que a partir de ahora no querrá prescindir!

LA MAITRISE TOTALE

Vous allez être surpris. Seul ou en équipage réduit, vous maîtriserez ce voilier ! Les virements de bord, le réglage des voiles et même les prises de ris pour réduire les 47 m² de surface de voile, s'exécutent facilement sans avoir à quitter le poste de barre. Chez HANSE nous appelons ça „Easy Sailing“. Vous ne pourrez plus vous en passer !

ALLES IM GRIFF, ALLES IM BLICK

Diese Yacht segeln Sie, wenn sie wollen, ganz allein. Segelsetzen, Wenden und auch Reffen von insgesamt 47 m² Segelfläche, unterstützt vom HANSE „Easy Sailing Concept“, erledigen Sie vom Steuerrad aus ganz ohne Anstrengung. So geht Segeln heute!

TUTTO SOTTO CONTROLLO

Ne sarete sorpresi. Se volete, potete portare da soli questa barca. Le virate, la regolazione delle vele e anche le prese di terzaroli per ridurre i 47 mq di superficie velica, e tutto senza fatica e senza lasciare la ruota. Noi in Hanse chiamiamo tutto questo „Easy sailing“. Non potrete più farne a meno

1 It's never been easier: quickly laying the anchor via remote control.

2 Ready when you are: easy maneuvering and simple handling.

3 Keep everything important in sight with your control panels right next to you.

A CLEAR SUCCESS

Hanse yacht design is the combination of functionality, modern aspects and elegance. Portholes and windows provide lots of light and fresh air. Another prominent feature of the exterior design is the XXL-cockpit. The HANSE 315 is optimized for both, tiller or twin wheel steering. Smooth performance sailing thanks to a modern hull shape combined with sleek coach roof lines!

RECONOCIBLE A SIMPLE VISTA

El diseño de un yate es el resultado de combinar funcionalidad, modernidad y elegancia. Saltan a la vista la bañera extra-grande, la enorme escotilla y el diseño luminoso. El HANSE 135 está preparado para llevar dos ruedas de timón y también una caña de timón de estilo deportivo. Este yate cuenta con un agarre perfectamente equilibrado y ¡es incluso mejor cuando está en el agua! Los pequeños detalles hacen destacar a las líneas principales.

UN SUCCES INDENIABLE

Concevoir un voilier, c'est combiner fonctionnalité, modernité et élégance. Le cockpit XXL, les grands hublots et le design qui laisse pénétrer la lumière impressionnent. Optimisé à la fois pour les deux barres à roue et pour la barre franche plus sportive, le HANSE 315 se manœuvre parfaitement bien et, mieux encore, tient bien la mer ! Les petits détails mettent en valeur l'élégance des lignes.

ERKENNBAR GELUNGEN

Hanse Yachtdesign ist die Kombination aus Funktionalität, Innovation und Eleganz. Große Luken und Fenster sorgen für einen Licht durchfluteten Innenraum. Das XXL-Cockpit ist ein weiteres dominantes Designelement des Exterieurs. Die HANSE 315 ist sowohl optimiert für die beiden Steuerräder als auch für die sportliche Pinne. Diese perfekt ausbalancierte Yacht liegt gut in der Hand und noch besser im Wasser! Kleine Details schmeicheln großen Linien.

INCREDIBILMENTE RIUSCITO

La progettazione di una barca a vela è la combinazione di funzionalità, modernità ed eleganza. Colpiscono soprattutto il pozzetto extralarge, gli ampi boccaporti e il design luminoso. L'HANSE 315 è ottimizzato sia per il doppio timone a ruota, che per la barra sportiva. Questa barca è perfettamente equilibrata: lo si sente „in mano“ e, ancora meglio, in acqua! Piccoli dettagli che esaltano grandi linee.

INDIVIDUAL CABIN CONCEPT

HANSE is the creator of the Individual Cabin Concept. We use this system to build a yacht for you that is just as individual as you need it, but does not exceed the price of a serial yacht. Do you prefer traveling in company with your family and friends or do you enjoy relaxing in your fully equipped single-berth cabin? With your optional 3in1-cabin you will manage to carry whomever and whatever you like!

DISEÑO INTERIOR VARIABLE

HANSE ha creado el concepto de cabina personalizada. Con este sistema, creamos yates personalizados a un precio de producto en serie. ¿Viaja con su familia, amigos o necesita la tranquilidad de una litera individual? ¡No hay ningún problema! Todas las opciones tienen cabida, ya que si quiere puede disfrutar de la cabina 3 en 1 a bordo. Huelga decir que la intención era crear un espacio suficiente para relajarse y acomodarse.

UN AMÉNAGEMENT INTÉRIEUR MODULABLE

HANSE a inventé le concept de la cabine modulable. Avec cette souplesse, nous construisons des voiliers personnalisés, pour nos clients, à des prix de série. Vous naviguez en famille, avec des amis ou vous avez besoin de vous reposer dans une couchette simple ? Pas de problème ! Tout est possible car vous avez une cabine 3-en-1 à bord ! Nous avons bien sûr pensé à prévoir un espace suffisant pour se relaxer et pour ranger.

VARIABLES INTERIEUR LAYOUT

Das Individual Cabin Concept hat HANSE erfunden. Wir bauen mit diesem System für unsere Kunden individuelle Yachten zum Serienpreis. Sie reisen mit ihrer Familie, Freunden, oder benötigen Ihre Ruhe in einer Einzelkoje? Kein Problem! Alle kommen unter, denn Sie haben optional eine 3in1-Kabine an Bord! An ausreichend Platz zum Relaxen und Verstauen ist somit selbstverständlich gedacht.

INTERNI PERSONALIZZABILI

L'individual Cabin Concept è un'invenzione di Hanse che ci permette di costruire barche personalizzate per i nostri clienti al prezzo della serie. Viaggiate con la famiglia e gli amici oppure avete bisogno della vostra tranquillità in una cuccetta singola? Non c'è problema! C'è posto per tutti, perché potete disporre di una cabina 3 in 1 a bordo! Ovviamente si è pensato anche a spazio in abbondanza per lo stivaggio.

A wide-angle photograph of a sailboat with white sails on a dark blue hull, sailing on a choppy sea. The sun is low on the horizon, creating a golden glow across the sky and reflecting on the water. In the background, there are silhouettes of mountains or hills. The overall mood is serene and peaceful.

“THE TRUE PEACE OF GOD
BEGINS AT ANY POINT 1,000 MILES
FROM THE NEAREST LAND.”

(Joseph Conrad, novelist (1857 – 1924))
